weibel.jason@gmail.com

The past ten years, I have been working as a commercial real estate appraiser. Before that, I attended Vermont Law School where I studied environmental law and received a JD and Master of Environmental Law and Policy. My undergraduate education took place at the University of Georgia where I majored in English with a minor in History and a specialization in Medieval Studies. My strengths in all of these subjects are centered in skills surrounding reading, writing, editing, language, and research.

Work Experience

Real Estate Appraiser (November 2011 to Present)

Weibel & Associates, Inc.
Atlanta, Georgia

Commercial real estate appraisal on properties including: land, offices, warehouses, schools, churches, convenience stores, hotels, medical buildings, subdivision developments, farm and agricultural land, and conservation easement land.

Responsibilities include generating a lengthy, narrative, written appraisal report, conducting research in local, statewide, and national databases, conducting onsite inspections, communicating and maintaining relationships with clients, and ensuring compliance with IRS regulations when applicable.
